

# WHITELABEL PRODUCTS

# FAST TRACK FOR QUALITY

# BE SUCCESSFUL WITH YOUR OWN PRODUCTS

## OUR KNOW-HOW IS YOUR ADVANTAGE

Market-ready solutions offer fast-tracked innovation that will push your products to the next frontier in health benefit supplements. Whatever your business or consumer needs, we partner with you to deliver purpose-led, finished products that your consumers will love.

## WHY ABJ ALIVE?

- 14+ years of experience with food supplements
- 100% made in Germany
- Newest, standardized fully automatic, high-tech, high-volume production systems
- Full-service for small to large quantities
- Careful and well-founded specialist advice on food law topics
- Intensive and personal customer support throughout the entire process
- High-quality, certified raw materials from well-known and reliable suppliers

# QUALITY MAKES THE DIFFERENCE

Our aim is to ensure quality systematically already within the process and to embed supreme standards as a contribution for process excellence.

An implemented **HACCP concept** guarantees reliable safety in the production, processing and distribution of dietary supplements. **ISO 9001** and **IFS** are among our standard certifications
